

WOODED ACRES GAZETTE

SPRING 2023

45th WOODED ACRES BIG EVENT SATURDAY, MAY 13, 2023

It's coming! Wooded Acres Big Event. Redding's oldest neighborhood garage sales event (45 years!) is an annual event which has been held in the Wooded Acres area for many years. What started small with a dozen homes, has grown into an event with as many as 90+ homes having a garage sale throughout the Wooded Areas area, along with Anders Oaks & Aldea Robles (southern section of Wooded Acres), Wooded Acres North, Fiesta Way and Robles North and along Meadow View Dr.

HEALTH & HAPPY AWARENESS

We are now free and on the move. Keeping Health & Happy Awareness in mind, plan accordingly; masks as desired, bring hand sanitizer, sunscreen, a hat, shades, **WATER** and good walking shoes.

If you bring your canine family; water, water, water & treats. We know how the Redding weather can be.

Be mindful when driving through WABE as it's easy to see something great (SQUIRREL!) and get distracted.

Be safe and healthy.
